P12

Limb Protection

The ultimate in performance and stealth.

Delta Three Oscar™ P12 Knee & Elbow pads redefine what it means to protect those who protect us – by design.

Second to none in ergonomic fit, these next generation pads form perfectly to the body for effortless movement, while providing vital cushioning on impact.

Light as a feather, yet rugged and reliable. P12 armor takes the weight off, while providing world-beating, low-profile protection, so you can focus on the mission at hand.

Product Feature

- Ergonomic design and moulded relief points provide leading flexibility and comfort during movement and when kneeling
- TriVent technology provides enhanced ventilation
- Durable cushioning for long-term protection
- Extremely low-profile and lightweight for unmatched stealth
- Uses highly soft and flexible materials
- Modular component system with optional Advanced Rubber Outer Cap
- Berry compliant option available
