

# IMPACT PRINT™

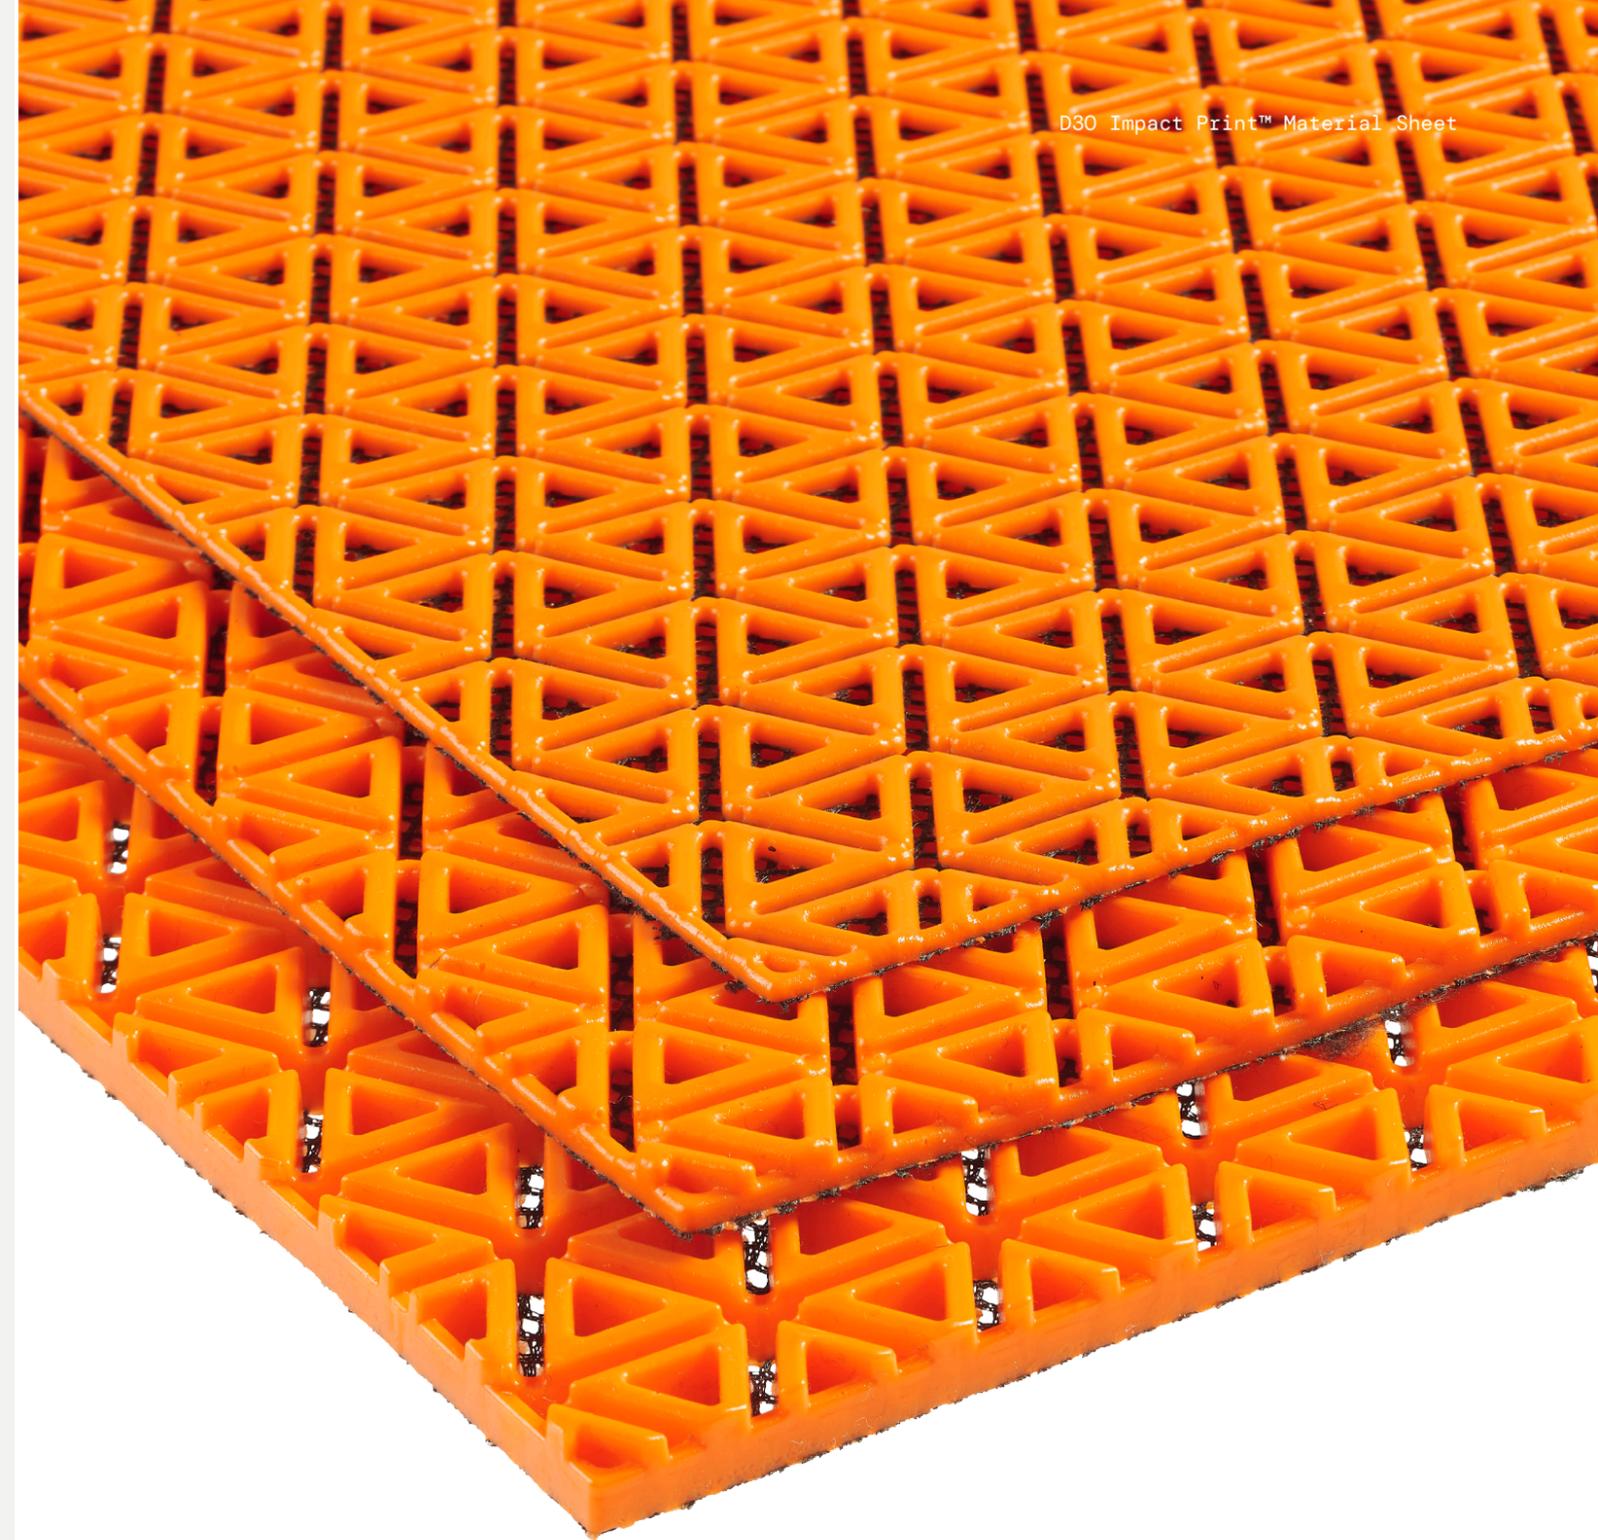

## Sheets

**Mitigate Fear. Prevent Injury. Protect your Devices. D3O's materials are designed to absorb and dissipate energy in response to blunt force impact.**

D3O Impact Print provides durable impact protection, complete freedom of movement and superior breathability. Impact Print sheets are made of D3O material printed directly onto fabric, allowing unparalleled flexibility, and feature an open geometry that enhances airflow.

### Product Features

- Lycra or mesh fabric options
- Optimised for high impact energies
- Available in 2, 4 and 6mm thicknesses
