

DECELL

Sheets

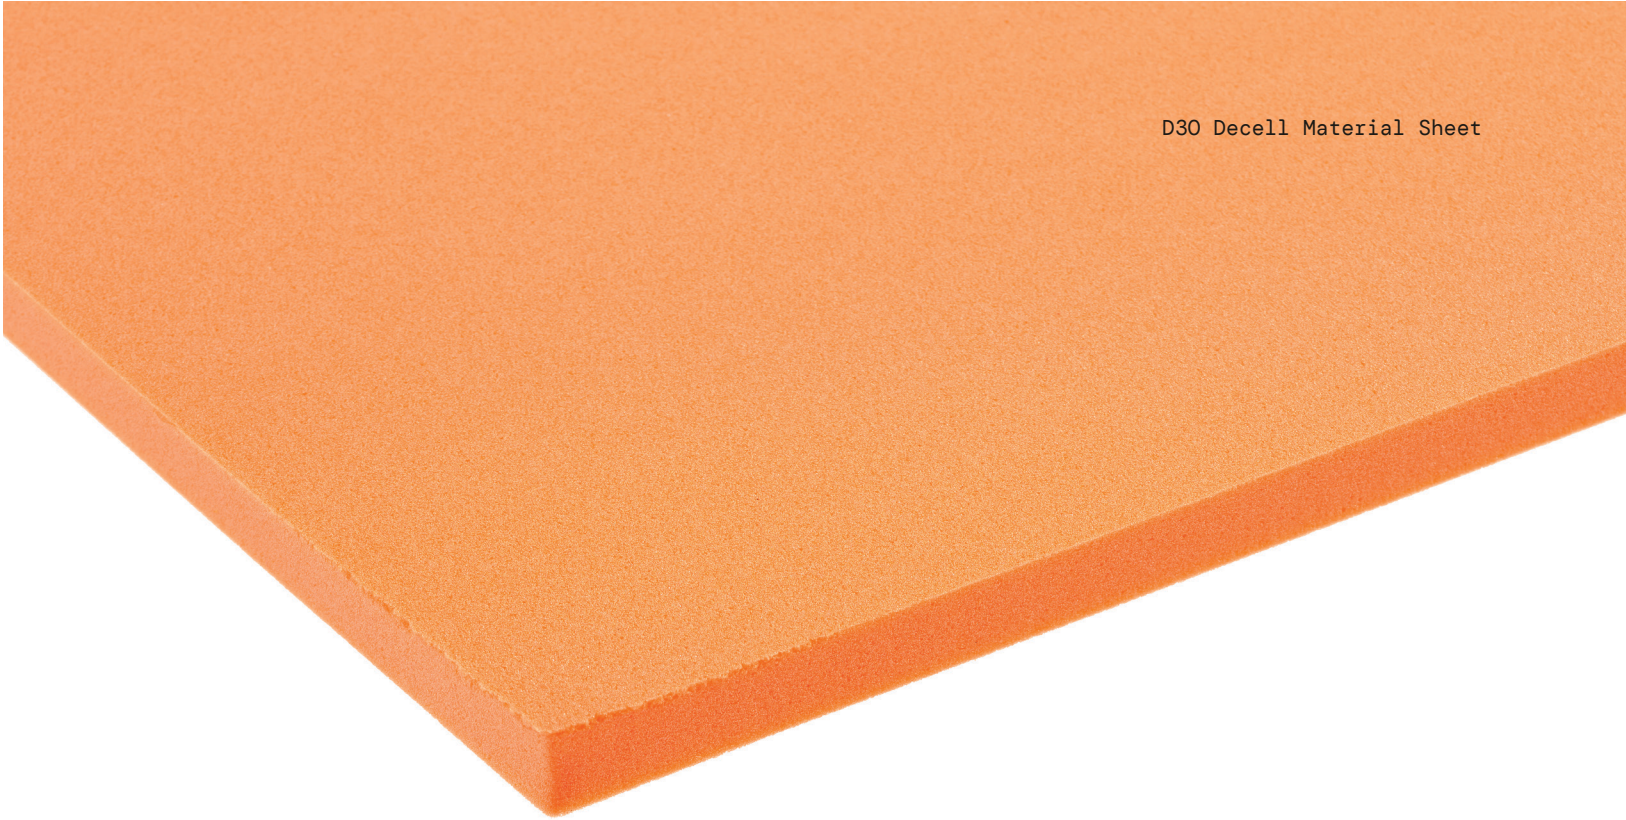

Mitigate Fear. Prevent Injury.

D3O’s materials are designed to absorb and dissipate energy in response to blunt force impact.

D3O Decell is a set foam material available in solid and skived sheet formats and designed for markets where high durability is key. It can be used in multiple protection applications.

Product Features

- Suitable for low to moderate impact and shock energies
- Skived version available in 2, 4, 6, 8 and 10mm thicknesses
- Solid version available in 4 and 6mm thicknesses
