

FITTED AG

Foot Protection

Mitigate Fear. Prevent Injury.

D3O’s materials are designed to absorb and dissipate energy in response to blunt force impact.

D3O® Fitted Ankle Guards offer increased protection and comfort through a more ergonomic shape and tapered profile. This allows for subtler integration into the boot without compromising on performance. D3O® Fitted Ankle Guards meet CE EN 13634 standard under 5kn transmitted force outside of boot.

Product Features

- D3O® patented technology
- Aids adherence to BS EN 13634:2017
- Ergonomic curvature
- Low-profile, tapered design enhances comfort
- Coverage exceeds minimum CE area
- Reduced bulk visually enhances footwear
- Two thicknesses available
